## **Students Receive Kudos for Great Work**

Third through eighth grade students in the Scotland County School System will be recognized for their hard work all school year during a special ceremony. The Laurinburg/Scotland County Area Chamber of Commerce and AT&T are sponsoring the 24<sup>th</sup> Annual Academic Achievement Awards today, 6:00 p.m. at Pate Stadium.

Students that have kept their report card grades above a 90 all school year will receive a t-shirt, certificate of recognition, a meal courtesy of Golden Corral and coupons to both KFC and Pizza Inn. “These students have worked hard all school year, so this is our way of letting them know that we appreciate them,” said Matt Kendall, program director. “AT&T and our other business partners realize the importance of education, and we’re excited to have their continued support.”

The ceremony will fill Pate Stadium with students and their guests. This year, close to 600 students will receive the award in front of the audience.

If the ceremony is called off due to rain, students will receive their awards during school time. For more information about the ceremony or its status due to weather, call the chamber at 276-7420.
