Business After Hours Begins in January

Chamber members kick off this year's networking schedule on Thursday, January 22, as [Haney's Tire and Recapping Service](#), [KFC](#), [Pizza Inn](#) and [Wade S. Dunbar Insurance Agency](#) will host the first Business After Hours of 2009. The event will run from 5:00 p.m. to 7:00 p.m. at Pizza Inn located at 1227 Main Street.

Our sponsors are not only long time Chamber members, but they have been doing business in Scotland County for over a combined 25 years. Haney's ASE-trained technicians provide a full line of services for commercial and private vehicles. They're also Scotland County's headquarters for tires including BF Goodrich, Cooper and Michelin. Both KFC and Pizza Inn are owned by Scottish Food Systems, a people-oriented company operating 35 quality restaurants in North and South Carolina. KFC and Pizza Inn offer quick, delicious and healthy dining options for the entire family. And local insurer Wade S. Dunbar Insurance Agency provides a level of service and expertise that is has been their mark of excellence. The commercial insurance, employee benefits, and personal lines departments are eager to assist Scotland County with professional service and advice.

Business After Hours is a monthly program designed for Chamber members to meet new people and follow up with business contacts in a relaxed setting.
