Century Care Opens New Wing

Century Care of Laurinburg, a skilled nursing facility, will hold a ribbon cutting for a new rehabilitation wing on Monday, May 10 at 4:30 p.m., and the public is invited to tour the facility while enjoying refreshments.

The newly renovated space will expand on Century Care's services according to Christy Graham, admissions coordinator. "Our private rehabilitation wing has much to offer to the Scotland County community. The services will focus on those in need of short term rehab following orthopedic surgery" Their eight newly renovated private rooms each include semi-private baths, an electric bed, loveseat, recliner, flat screen TV, personal dresser and closet space. Graham also added that the wing has its own private dining room and an indoor and outdoor sitting area for guests.

Century Care is located at 8900 Hasty Road. For more information about the new wing or ribbon cutting, contact Graham at 276-8400 or the chamber at 276-7420.
