**Second *Laurinburg After Five!* Concert Upcoming**

The second installment of the *Laurinburg After Five!* Concert Series presented by Bud Light will offer a new spin. Country and southern rock fans can jam to the sounds of the Saddle Creek Band on Thursday, June 10, 5:00 p.m. to 9:00 p.m. on Avinger Hill at St. Andrews Presbyterian College. Since the series began years ago, the music has always focused on beach hits. This will mark the first time a new type of music is offered. “We’re really excited about having a country and southern rock band this year,” said Jennifer McArthur, planning committee chairwoman. “We wanted to try something different this year and offer a variety of music to satisfy the community’s tastes. Saddle Creek has a great energy, and they’re especially excited about playing for their hometown.”

Saddle Creek’s four-person makeup is based out of Laurinburg and Rockingham. They have worked on shows with the best country music has to offer like Gretchen Wilson, Trent Tomlinson, Daniell Peck, Ashton Shepard, James Otto, Hank Williams Jr., Phil Stacey, Lynryd Skynryd, Sugarland, the Roys and Grand Ole Opry star Mel McDaniel.

Title sponsor Bud Light will make sure to have plenty of great drinks, and guests can enjoy dinner with their drinks from Golden Corral and Thee Other Guy’s Barbecue.

Pauline Gruver with Hospice of Scotland County will have a 13’ x 13’ bounce house for children. Gruver says for a \$3 donation to Relay for Life, children will be able to jump for the duration of the concert. The Junior Service League of Laurinburg will be on site to do hair coloring and temporary tattoos for children, too. Finally, children can cool off with Italian ice water in both cherry and lemon flavors.

Other concerts will run the second Thursday July through September. The upcoming acts are Sea Cruz on July 8, the Tim Clark Band on August 12 and Jim Quick and Coastline on September 9.

Vending opportunities are still available for future events. Co-sponsors for Laurinburg After Five include Campbell Soup, Murphy-Brown, Junior Service League, Precision Contractors, WLNC Hometown Radio, Service Thread, Butler Manufacturing, B&B Construction, Canady’s Termite and Pest Control, Comfort Inn, FCC, Scotland Health Care System, Woolly McDuff’s, Bob’s Jewel Shop, Champ’s Fine Food and Spirits, CM Studio, Earl’s Electric, Family Fitness, First Bank, Mega Force Staffing, Shirt Tales and WePack Logistics.
