## **Legislators to Address Chamber Members**

Members with the Laurinburg/Scotland County Area Chamber of Commerce will hear from our local delegation in Raleigh at a special breakfast meeting. Beginning at 7:30 a.m. on Monday, April 26 at the Belk Center of St. Andrews Presbyterian College, members will be treated to breakfast and discussion of some of the issues facing North Carolina and Scotland County. Thanks to the city of Laurinburg and Electricities, there is no charge for breakfast; however, reservations are required.

Representatives Garland Pierce and Doug Yongue and Senator William Purcell are scheduled to attend. Each will discuss a list of issues and questions offered from the chamber. Afterward, members will be able to ask their own questions. For more information, call the chamber at 276-7420.
