Litter Sweep Today

Members of the Laurinburg/Scotland County Area Chamber of Commerce's Community Image Committee encourage everyone to help combat litter today during the bi-annual Litter Sweep. Committee members will be out at Pizza Inn located at 1227 South Main Street from 11:00 a.m. to 1:00 p.m.

"We're getting into a busy time of the year when it comes to events around Scotland County," said Matt Kendall, program director. "There will be many people visiting us, and we want our communities to look clean and inviting."

Volunteers will hand out trash bags, gloves and vests to all those that stop by, and the committee hopes passers-by will take time out of the weekend to clean up their neighborhoods and roadways. "This is a great way to get out and enjoy the weather with friends or family and get some exercise while making a difference," Kendall said.

For stopping by and pledging to help clean, committee members and Pizza Inn's mascot, Jojo, will give away free slices of pizza and coupons for the restaurant. "We support the chamber with their efforts to help keep our community clean," said Maria Bingham, marketing director for Scottish Food Systems, which owns Pizza Inn. "We are happy to host the litter sweep and encourage folks to come out to help with this worthwhile cause."
