Students Have Week off to Complete Scholarship Form

Scotland County's high school students are on spring break, which will give them plenty of time to apply for the Laurinburg/Scotland County Area Chamber of Commerce Preparing Academically Successful Students (PASS) Scholarship. The scholarship will help pay up to \$1,000 of tuition at Richmond Community College, St. Andrews Presbyterian College or the University of North Carolina at Pembroke. Up to five scholarships will be awarded.

The applications are available at the chamber's office at 606 Atkinson Street, and can be downloaded from the chamber's website at www.laurinburgchamber.com. The deadline for submissions is Friday, April 9. For more information, call the chamber at (910) 276-7420.
