Chamber to Host State of County/City Address

With the New Year comes new opportunities for Scotland County.

For a review of how the city and county fared last year and a look ahead, the Laurinburg/Scotland County Area Chamber of Commerce is holding the second annual State of the County and City Address. This event is a collaborative effort between the Chamber and Scotland County.

The program will be conducted in two parts; a special breakfast meeting on Wednesday, February 10 at 8:00 a.m. in the W.R. Dulin Center located on the Scotland Memorial Hospital campus and a public session on Wednesday evening at 7:00 p.m. in the main courtroom at the Scotland County Courthouse.

Chamber members and guests may enjoy a continental breakfast during the morning session for \$5 per person.

Representatives from both Laurinburg and Scotland County will make presentations on the current state of affairs regarding capital investments, employment and business expansion/retention efforts, and give brief forecasts for the current year. A question and answer period will be allowed after presentations are completed.

Reservations must be made for the morning session, and seating is limited. For more information or to make reservations, call the chamber at 276-7420 or e-mail kbuie@laurinburgchamber.com.
